MOBILE BANKING

MOBILE BANKING SERVICE

Mobile Banking is offered as a convenience and supplemental service to our Online Banking service. It is not intended to replace access to Online Banking from your personal computer or other methods you use for managing your accounts and services with us. Mobile Banking allows you to access your GOLD Credit Union account information, make payments to payees, transfer funds and conduct other banking transactions. To utilize the Mobile Banking Service, you must be enrolled in Digital Banking.

Mobile Banking may not be accessible or may have limited utility over some network carriers. In addition, Mobile Banking may not be supportable for all devices. GOLD Credit Union cannot guarantee and is not responsible for the availability of data services provide by your mobile carrier, such as data outages or “out of range” issues.

GOLD Credit Union does not charge for Mobile Banking; however, you will be responsible for data charges on your device. Depending on the rate plan with your mobile service provider you may incur charges when accessing the Internet. Please consult your mobile device’s service plan for details.

USE OF SERVICE

Mobile Banking will not work unless you use it properly. You agree to accept responsibility for learning how to use Mobile Banking and agree that you will contact us directly if you have any problems with Mobile Banking. We may modify the Mobile Banking service from time to time at our sole discretion. In the event of any modifications, you are responsible for making sure you understand how to use Mobile Banking as modified. You also accept responsibility for making sure that you know how to properly use your device and we will not be liable to you for any losses caused by your failure to properly use the Mobile Banking Service or your device.

OTHER AGREEMENTS

You agree that when you use Mobile Banking you remain subject to the terms and conditions of your existing agreements with any unaffiliated service providers, including, but not limited to, your mobile service provider and that this Agreement does not amend or supersede any of those agreements. You understand that those agreements may provide for fees, limitations and restrictions which might impact your use of Mobile Banking (such as data usage or text messaging charges imposed on you by your mobile service provider for your use of or interaction with Mobile Banking), and you agree to be solely responsible for all such fees, limitations, and restrictions. You agree that only your mobile service provider is responsible for its products and services, and you agree to resolve any problems with your provider directly without involving us.

Any deposit account, loan or other product accessed through Mobile Banking is also subject to the Account Agreements and Disclosures provided at the time of the account opening. You should review the account disclosures carefully, as they may include transaction limitations and fees which might apply to your use of Mobile Banking.

Federal regulations require financial institutions to limit the way withdrawals may be made from a savings or money market account. Each transfer from either of these two types of accounts using Mobile Banking is counted as one of the six limited transactions permitted each monthly statement cycle period, as described in your original Deposit Account Agreement and Disclosures.

We may also limit the type, frequency and amount of transfers for security purposes and may change or impose the limits without notice, at our option.

You agree to confirm the completion of each transfer in your account balance and transaction history before withdrawing transferred funds.

YOUR RESPONSIBILITIES

You represent that you are the legal owner of the accounts and other financial information which may be accessed via Mobile Banking. You agree not to misrepresent your identity or your account information. You agree to keep your account information up to date and accurate. You represent that you are an authorized user of the mobile device you will use to access Mobile Banking.

You agree to take every precaution to ensure the safety, security and integrity of your account and transactions when using Mobile Banking. You agree not to leave your device unattended while logged into Mobile Banking and to log off immediately at the completion of each access.

by you. You agree not to provide your username, passcode, or other access information to any unauthorized person. If you permit other persons to use your Mobile device, login information, or other means to access Mobile Banking, you are responsible for any transactions they authorize and we will not be liable for any damages resulting to you.
